

May 6th 2012 Information Sheet

Thank you for volunteering your time and talents to serve others. We are seeking to fulfill the words of Jesus in Matthew 5:16: "Let your light so shine before men, that they may see your good works and glorify your Father in heaven." So it is not only in what we do, but in how we do it that we reflect the character of Christ.

Lunch will be provided for all those serving. Unless you are at someone's home where they will be providing your lunch, the church will provide a ham or turkey sandwich, a bag of chips, an apple and a bottle of water. If that does not work for you, then I would encourage you to bring your own vittles.

Each project will have a project leader or two to whom you can bounce off questions. If there is a problem with the project to which you have been assigned, please call Pastor Peter at 667-0775 (office) or 316-3580 (cell).
